During 2010, our members attended many courses and classes to keep proficient in Firefighting and Hazardous Materials. They also attended in house training and performed public Fire Prevention activities during Fire Prevention Week. This amounted to many man-hours.

During 2010, members spent 1,669 manhours responding to 129 emergencies.

Our members also put in many man-hours in station upkeep, vehicle maintenance and fund raisers to name a few.

As you can see, our members are busy when not responding to emergencies. If anyone is interested and can perform any of these tasks your welcome to become a member, stop in the station any Wednesday from 6pm-9pm and meet some of our members and pick up an application. We also have an auxiliary that also needs members.

Respectfully Submitted,
