The following is a report of activities by the Stonington Volunteer Fire Company for October 2008.

Our fire company responded to 10 emergency calls.

There were 5 calls in Shamokin Township, 2 calls in Rockefeller Township and 3 calls in Upper Augusta Township.

2- Structure Fires, 3-Brush Fires, 1-Vehicle Fire, 1-Automatic Fire Alarm, 2-MVA's, 1-Medical assist.

October 5th through 11th was fire prevention week. We sent a crew with the fire engine to Meadowview Christian School for a fire safety talk and to show the apparatus and equipment on the vehicle. As President, I want to thank Jon Stassel and the firefighters who performed the program this year. Next year we hope to increase our program, A Committee will be appointed and a plan will be submitted to the Company for approval.

The elections held on Nov. 4th at our station went very well, I spoke with Bob Swank and he was pleased with everything our Company provided, from having Handicap parking available, having our emergency vehicles parked outside, which provided additional parking in front of the station to our Fire police that assisted in front of the station. If there is anything we can improve on during the next election, please let me know.
